

[Intro]

G D/F# Am C

[Verse 1]

G Am
I put that record on
C

Girl you know what song

D G
And I let it play, again and again
Am

You're in every line
C

Takes me back in time
D G

Yeah, tonight I'm wondering

[Chorus]

G D/F#
What are you listening to
Em7

Is it a cover band in some college town bar
Cadd9

Where there's nah-nah-nah's and air guitars
G D/F#

Or is it, something to get you through
Em7

Just a sad song playing on a radio station
Cadd9

Tears still falling, heart still breaking
Am

Cause you're hanging on
G/B Cadd9 D/F#

Or is a love song, about someone new
G

What are you listening to

[Verse 2]

G Am
I like to believe
C

That you're just like me
D G
Trying to figure out how a good thing goes bad
Am
And I don't know
C
I can't let it go
D G
Yeah, it's about to drive me mad

[Chorus]

G D/F#
What are you listening to
Em7
Is it a cover band in some college town bar
Cadd9
Where there's nah-nah-nah's and air guitars
G D/F#
Or is it, something to get you through
Em7
Just a sad song playing on a radio station
Cadd9
Tears still falling, heart still breaking
Am
Cause you're hanging on
G/B Cadd9 D/F#
Or is a love song, about someone new
G
What are you listening to

[Bridge]

Cadd9
Is it a feel good, get you driving to fast
G/B
Or one to get you moving on past the past
Am
Or the kind that you can't help singing along
G/B
Singing whoa whoa whoa whoa
Cadd9
If it's headphones on on a downtown train

G/B

Or a window seat on an outbound plane

Am

Is it LA sunny or Memphis blue

D

I wish I knew

G

I wish I knew

[Chorus]

G D/F#

What are you listening to

Em7

Is it a cover band in some college town bar

Cadd9

Where there's nah-nah-nah's and air guitars

G D/F#

Or is it, something to get you through

Em7

Just a sad song playing on a radio station

Cadd9

Tears still falling, heart still breaking

Am

Cause you're hanging on

G/B Cadd9 D/F#

Or is a love song, about someone new

G

What are you listening to

[Outro]

G Am

I put that record on

C

Girl you know what song

D G

And I let it play, again and again
