[Verse 1]

G#m E
Come to decide that the things that I tried
B F#
Were in my life just to get high on.
G#m E
When I sit alone, come, get a little known,
B F#
But I need more than myself this time.
G#m E
Step from the road to the sea to the sky,
B F#
And I do believe that we rely on.
G#m E B F#
When I lay it on, come, get to play it on, all my life to sacrifice.

[Verse 2]

G#m E
When will I know that I really can't go
B F#
To the well once more, time to decide on.
G#m E
When it's killing me, when will really see,
B F#
All that I need to look inside?
G#m E
Come to believe that I better not leave,
B F#
Before I get my chance to ride.
G#m E
When it's killing me, what do I really need,
B F#
All that I need to look inside?

[Chorus]

The more I see, the less I know,
G#m E
The more I like to let it go, hey oh, oh oh oh.

B F#
Deep beneath the cover of another perfect wonder,
C#m
Where it's so white as snow.

B F#
Privately divided by a world so undecided,
C#m
And there's nowhere to go.

B F#
In between the cover of another perfect wonder,
C#m
Where it's so white as snow.

B F#
Running through the field where all my tracks will be concealed,
C#m
And there's nowhere to go.

Just to hear you sing it out.
